The correspondence between foreign parties' and Italian qualifications is certified by the designating Department Council in accordance with Ministerial Decree n 662, 1 September 2016. The relationship of the foreign scholars' activities with the academic recruitment field and, where required, with the academic discipline/disciplines is equally certified by the designating Department Council.

Except in cases of impossibility, the external members must belong to institutions different from each other.

The members of the Examining Board must belong to the same academic discipline concerning the position object of the public selection procedure, or to the same academic recruitment field. If the cause of the objection arises after the time indicated above so long as before the date of the Board’s taking office, the period shall run from its occurrence.
- 4. The Board nominates a President and Secretary.
The Board operates with the presence of all its members and takes decisions unanimously. Participation in all Board activities is mandatory for all members, without prejudice to reasons of force majeure.
- 5. The Board, after notifying the Head of the selection procedure, may hold meetings using telematic technology. At the end of the meeting the minutes must be drawn up, approved, signed by the Secretary who has actually drawn them up and forwarded telematically to the competent administration office. The other members of the Examining Board underwrite a statement in which they declare that they have joined the meeting and undersigned the minutes. Art. 9 - Role and Duties of the Examining Board

3. In the following meetings the Board grades the candidate’s CV, the qualifications, the teaching activities, the publications and the medical care activity (if required) in relation to the position being appointed. Each member of the Board individually attributes a grade, then the Board jointly assesses each candidate, and compares them. Once this has been completed the Board draws up a ranking of the candidates and deliberates by majority the winner of the selection procedure.
4. All proceedings are contained in the minutes of the meetings, including assessment of the candidates; after establishing their validity, they are to be published on the University’s Albo Ufficiale and on the website.

Art. 10 - Time Limits of the Selection Procedure
